

REMARKS

Claims 1 through 27 have been cancelled. Claims 28 through 48 remain pending in the present application. Claims 28 through 48 are indicated as allowable.

Objections to the Drawings

The Examiner has objected to the drawings indicating that a plurality of sensors as claimed in Claim 1 must be shown or the feature cancelled from the claim. Applicants would like to draw the Examiner's attention to Figure 1 and the sensors identified by elements 18. There is a sensor near each wheel. Accordingly, Applicants respectfully request the Examiner to withdraw his objections to the drawings.

Rejection Under 35 U.S.C. §102

Applicants have cancelled Claims 1 through 27 and now believe the Examiner's rejection under §102 to be moot.

Accordingly, Applicants respectfully request the Examiner to pass the case to issue at his earliest possible convenience. Should the Examiner have any questions regarding the present application, he should not hesitate to contact the undersigned at (248) 641-1600.

Respectfully submitted,

Dated: September 21, 2004
